

Beltone Legend

# The perfect match

## Personalized hearing

### Taking personalized hearing to the next level

Every person is unique, and so is their hearing. Beltone Legend hearing aids are designed to serve a diverse universe of unique individuals better than any other hearing aid on the market. Thanks to breakthrough features like Personal Sound ID™ and CrossLink Directionality your clients will be sure to get superb sound quality and speech understanding. On top of that, Made for iPhone® integration allows clients to stream sounds directly to their Beltone Legend hearing aids from their iPhone, iPad®, iPod touch®. The HearPlus app lets them adjust hearing aid settings directly from their iPhone, iPad, iPod touch and the most popular Android™ phone model.
